

Spring 2017

Dear Parent and Student,

Prestige Portraits by Lifetouch, is once again partnering with our school and has been selected as the **Official Senior Photographer** for the next **Graduating Class of 2018**.

Lifetouch provides us with free photography coverage of our sports and school events. This partnership is very important to our school and our yearbook, as they will capture and document the memories of your senior year.

By choosing to be photographed by Prestige Portraits for your senior portraits, you will be included in our senior yearbook automatically. They make it very convenient for you and our school by providing us with everyone's free basic retouched yearbook image, so it's important to take advantage of this service as we want to ensure that our senior section will have consistency.

They offer a wide variety of discounted sessions and order discounts, which you will soon begin to receive directly from them. **Over the next several months, look for our Official Senior Photographer's Logo:**

Please take the time to visit their website at PrestigePortraitsOhio.com where you will have the opportunity to learn more information about their local studio, and schedule your portrait session online by taking advantage of their current special. To view their photography, checkout their Instagram page at wpprestige.

I ask that you please support this important partnership as we would like to have 100% of the Graduating Class of 2018 appearing in next year's yearbook! Please help us keep the pride of our school strong!

Sincerely,

Principal

Yearbook Adviser
