STUDENT & PARENT HANDBOOK

Cardinal Stritch
Catholic High School

July, 2019

Dear Cardinal Family,

It has been a very busy summer here at Cardinal Stritch Catholic High School & Academy! The Faculty and Staff are looking forward to a wonderful 2019-2020 school year. Each school year brings changes and great excitement as we look forward to our community growing in faith together. As a staff we have been holding our Cardinal family in prayer during this summer break. In return we ask that you pray for our faculty and staff as we go through our spiritual retreat in the beginning of August. We are supporting one another and growing as Christ's disciples so we are ready to help our students.

Some changes have been made to the Student/Parent Handbook. You can find this on the school website at cardinalstritch.org under Student Life. There have been some additions/changes to parts of the Student & Parent Handbook so please read it carefully.

Some of those handbook additions and/or changes are:
Information pertaining Recovery Credit on page 8
Dress Code regarding facial hair for boys and shoes for all on page 19
Tuition and Fee Policy on page 32

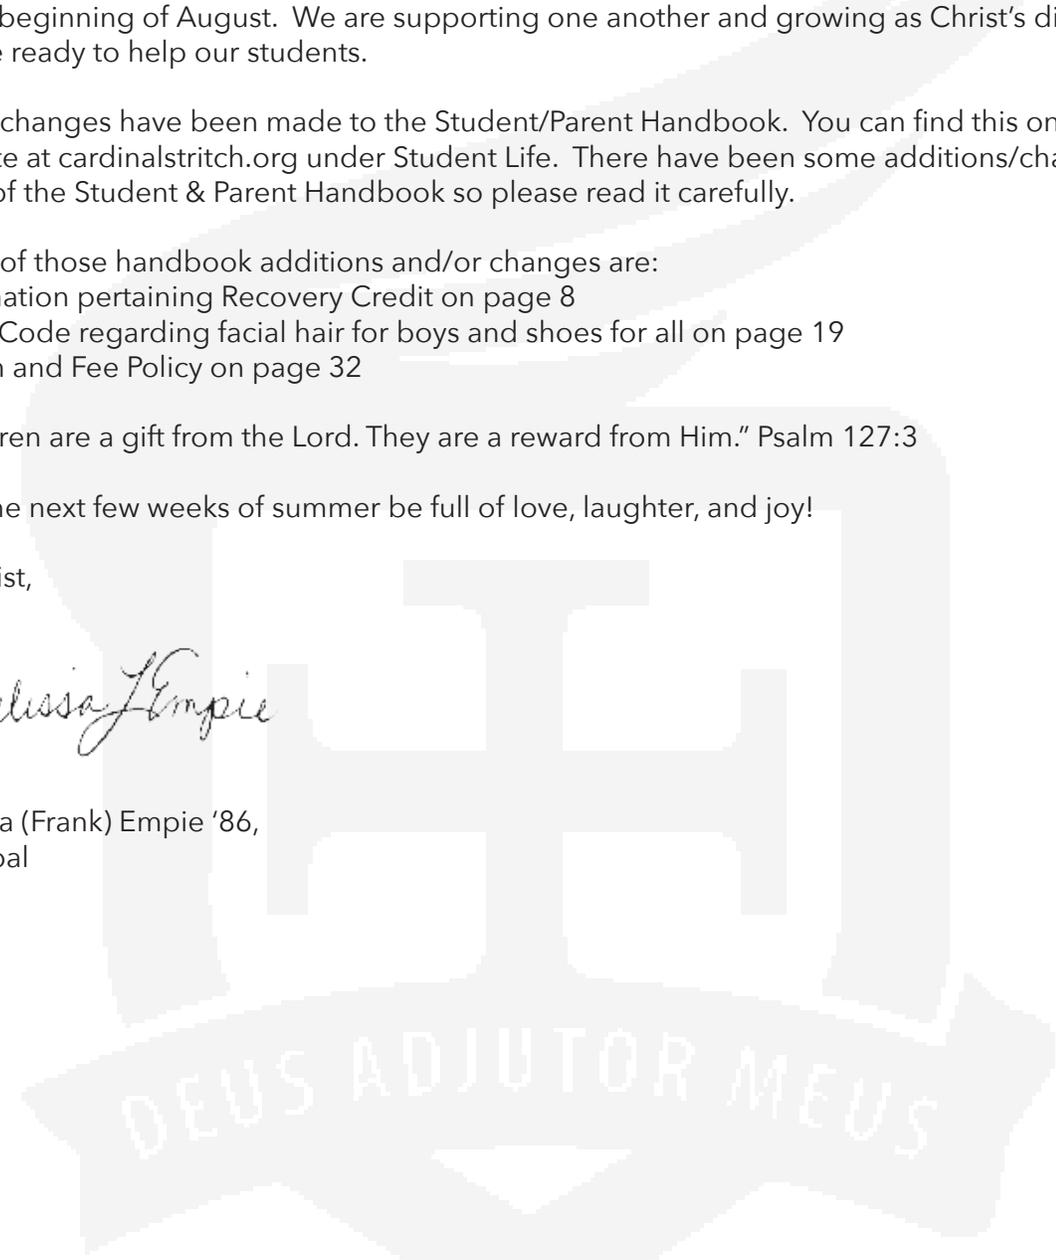

"Children are a gift from the Lord. They are a reward from Him." Psalm 127:3

May the next few weeks of summer be full of love, laughter, and joy!

In Christ,

Melissa (Frank) Empie '86,

HISTORY

As we begin the 2019-20 school year at Cardinal Stritch Catholic High School & Academy, we are enthusiastic for what lies ahead of us. With our new President/ Head of School, Bill Berry, we are looking forward to what lies ahead for us. Bill is proud to be a member of the team and has already met with members associated with our school and mission as disciples of Christ. The halls are alive with faculty, staff and student activity.

Founded in 1961 as a co-institutional High School, today Cardinal Stritch Catholic High School & Academy proudly serves as the only Pre-K to 12 Catholic School in Northwest Ohio. The school is named for Samuel Cardinal Stritch, Toledo's second bishop during the years of 1921 through 1930.

Since it's doors opened, Cardinal Stritch has proudly welcomed a diverse population of students across religious, socioeconomic and educational backgrounds. Cardinal Stritch is committed to providing a rigorous college preparatory education, rooted in Catholic traditions, that best prepares young women and men to become leaders in their faith, in their career and throughout their community.

The Cardinal Family consists of our students, alumni, faculty, friends, current and past parents. Despite our diverse background, Cardinal Stritch Catholic High School & Academy remains "unapologetically Catholic" in nature, providing students with weekly opportunities to celebrate the Liturgy, Reconciliation or Eucharistic Adoration. The commitment of quality Catholic education continues to grow our Cardinal Family to what it is today.

FIGHT SONG

We are Card'nals shouting out a cheer
for famed Stritch High.
We are Card'nals winging far and wide
this vic'try cry - Fight! Fight! Fight!
We will fight with all our might
and soar to vic-to-ry.
We're the best of all the rest
the best we will be.
For we are fighting Card'nals shouting out
a cheer for vic-to-ry...FIGHT!

ALMA MATER

In our minds we see your glory
Hearts so faithful looking back
We revere you Alma Mater,
We salute the red and black.
Cardinal Stritch we fondly cherish,
Brilliant red and solid black.
Love you give and love you ask for,
In return how much we lack.
Yet we pledge our love imperfect,
To the red and to the black.
Yet we pledge our love imperfect,
To the red and to the black.
- Sister M. Amata, OSF

Our Vision and Mission

Cardinal Stritch Catholic High School & Academy will be a leader in Catholic education who challenges all students to grow as disciples of Jesus Christ in a family-oriented community that fosters academic and personal excellence.

Cardinal Stritch is a family of faith, knowledge, and strength that forms disciples of Jesus Christ.

Students and parents who choose a Catholic education sincerely support the spirit, code, and expectations of the school and Catholic Church. At Cardinal Stritch Catholic High School & Academy, we build on the faith and academic development that begins in the home, where parents are the primary educators. The administration, faculty, and staff work to instill these **Core Values**, while upholding the Catholic Church's teachings, into each student during his or her time at Cardinal Stritch:

Believe Love Respect Seek Strive

The goals of our school can best be accomplished when students, parents, administration, faculty, and staff work together in a spirit of Christian cooperation toward these **Root Beliefs**.

1. Deus Adjutor Meus (God is my helper)
2. A family of faith, knowledge, and strength
3. Forming Saints
4. Demand Excellence
5. Make Every Minute Count

We believe that Cardinal Stritch Catholic High School & Academy is uniquely positioned to:

- Provide a holistic educational experience that prepares students for life.
- Create a sustainable learning environment that encourages students to view our world as a place of opportunity.
- Serve the needs of each student and their families through personalized attention and purposeful relationships.
- Contribute to the vitality of the St. Kateri Tekakwitha Deanery, Diocese of Toledo, and the Roman Catholic Church.
- Partner with local churches and with area civic and community organizations.
- Embrace diversity because each person is created in the image and likeness of God.

The strengthening of Christian values is vital to the total development of youth. It is important that students love God, love humanity, and love themselves. This effort is the responsibility of the entire Cardinal Stritch Catholic High School & Academy family: faculty, staff, students, parents, and community members. The Cardinal Stritch administration, faculty, and staff are dedicated to provide educational experiences that facilitate spiritual, physical, cultural, moral, and social growth.

Your light must shine before others, that they may see your good deeds and glorify your heavenly Father.
Matthew 5:16

SUPPORT OF CHRISTIAN VALUES

Students are taught to practice the following Life Skills to support our values: caring to feel and show concern for others; common sense to use good judgment; cooperation to work together toward a common goal or purpose; courage to act according to one's beliefs; curiosity to desire to investigate and seek understanding of one's world; effort to do one's best; flexibility to be willing to alter plans when necessary; friendship to make and keep a friend through mutual trust and caring; initiative to do something of one's own free will, because it needs to be done; integrity to act according to a sense of what's right and wrong; organization to plan, arrange, and implement in an orderly way; to keep things orderly and ready to use; patience to wait calmly for someone or something; perseverance to keep at it; pride to feel satisfaction from doing one's personal best; problem solving to create solutions in difficult situations and everyday problems; responsibility to respond when appropriate and to be accountable for one's actions; and sense of humor to laugh and be playful without harming others.

Servant's Heart

In the 2018-2019 School year with collaboration of Cardinal's Nest, our Parent Group, an award was designed to affirm students that are exhibiting the life skills and core values that are taught at Cardinal Stritch Catholic High School & Academy. This award is given monthly or bi-monthly depending on the time of year to students in grades Preschool through grade 12. Students are nominated by teachers that witness outstanding student behavior.

ST. KATERI TEKAKWITHA CHAPEL

Cardinal Stritch Catholic High School & Academy provides a place for prayer, reflection, and the celebration of the Eucharist. Proper respect for the sanctity of the chapel is expected at all times.

LITURGIES

All are required to attend scheduled Masses and other liturgical events. Mass or Eucharistic Adoration is celebrated weekly, and special activities are scheduled during Lent and Advent. All members of the Cardinal Stritch family are encouraged to attend, participate, and assist in the planning of liturgies.

RETREATS

Each student participates in annual class retreats at the high school level. Students unable to attend must make arrangements for an alternative retreat experience with the Campus Minister. As part of their graduation requirements, seniors are required to attend Kairos, a retreat experience held away from school. There are also other retreat experiences available to the students. Students are encouraged to explore these other experiences to nourish their faith lives. The Campus Minister provides more information about such retreats throughout the school year.

SACRAMENTAL PREPARATION & RECEPTION

The preparation for Reconciliation, Holy Eucharist, and Confirmation remains a family and parish function. The emphasis and preparation for these sacraments begin in the home and are supported within the school. Parents should receive information from their home parish for a schedule of Sacramental preparation meetings.

Respect for our Catholic religious traditions does not allow for children of other faiths or Christian denominations to receive the Sacraments of Reconciliation, Holy Eucharist, or Confirmation. All students are part of the instruction in their religion classes. While they are welcome to be present at the ceremony, actual reception of the sacrament is not permitted.

MASS MINISTRIES

All Stritch students are invited to have an active role in Mass preparation and celebration. Students, as well as faculty and staff, are invited to take a role in the celebrations as servers, lectors, Eucharistic Ministers, and musicians. Training and preparation take place several times throughout the year. The Cardinal Core coordinates this group.

STEWARDS OF STRITCH (S.O.S.)

Service Hours

To emphasize the importance of becoming lifelong stewards, high school students are required to complete service hours every year. A Stewards of Stritch (S.O.S.) hour is work done for the school, a community organization, or a church. Hours may also be obtained by doing work that is approved by the student's Theology teacher. This work is done without pay and under supervision. Students may find service opportunities on their own, or opportunities are posted or announced at school. Students may count their hours in the parishes as either S.O.S. Hours or Cardinal Family Service Hours, but not both.

To build a deepening commitment to service, the minimum number of hours increases every year:

Freshmen - fifteen (15) hours of service.

Sophomores - twenty (20) hours of service.

Juniors - twenty-five (25) hours of service.

Seniors - thirty (30) hours of service.

Service hours completed during the summer are applied to the following school year. S.O.S. Hours forms are available on the website, in the school office, or in Theology classes. On this form, students record the number of hours and the agency where the work was done, obtain a supervisor's signature, and write a brief reflection about the work that was done. This form is turned in to the student's Theology teacher to be logged. Students can check their progress with the Campus Minister or through Powerschool.

All S.O.S Hours are due by April 30.

Developing lifelong learners is the ultimate goal of education. A Catholic school further develops students who seek the Gospel Truth as disciples of Jesus Christ. The faculty, staff and administration of Cardinal Stritch Catholic High School & Academy create a learning atmosphere where students can accomplish both of these goals.

*The heart of the intelligent acquires knowledge, and the ear of the wise seeks knowledge.
Proverbs 18:15*

COURSE OF STUDY

The core curriculum for each student attending Cardinal Stritch Catholic High School & Academy includes Religion and Theology, Language Arts, Mathematics, Science, and Social Studies. Students should expect instruction in these subjects daily. Co-curricular classes include Art, Health, Music, Physical Education, Spanish, and Technology. Students in Kindergarten through 6th grade may attend these classes once or twice a week for the entire year. 7th - 12th grade students take these courses according to their class schedules. The curriculum is based upon the Course of Study issued by the Senior Director of Catholic Education for the Diocese of Toledo. The courses are routinely updated and revised according to State and Diocesan guidelines.

The Cardinal Stritch High School Program of Studies contains the school course listing and information about College Credit Plus, Dual Enrollment, and the Flex Credit programs. This document can be found on the school website: www.cardinalstritch.org.

LEARNING MATERIALS

Textbooks and student technology devices for all classes (except Religion & Theology books) are owned by the Oregon Board of Education and are loaned to Cardinal Stritch Catholic High School & Academy students and/or parents for use during the school year. Students are expected to treat their books as learning tools. The student is responsible for keeping the books clean, covered, and in good condition. A fine may be assessed if books are lost, damaged, written-in or destroyed.

The school provides many materials needed for learning; however, the students must provide their own personal supplies. Supply Lists are available on the school website: www.cardinalstritch.org.

HOMEWORK

Homework may be expected on any day of the week. Homework is intended as an extension of the learning begun at school. Parents should oversee their student's study time at home. While it may be written work, it could also consist of practice, drill, oral/silent reading, or time spent studying. Having a time and place for study is advisable. All questions and concerns about home study policies should be directed to the teacher. Until the teacher responds to those questions or concerns, parents uphold the teacher's policies and requests.

STUDENT ACADEMIC PROGRESS

Report cards are sent electronically (not mailed) each semester for grades 7-12 and each quarter for all students in grades 1-6. Pre-Kindergarten and Kindergarten students receive a paper copy at the end of each quarter. Elementary students receive midterm reports if necessary. Parents and students are encouraged to use PowerSchool to keep track of their grades and assignments on a regular basis. Parents may be notified of below average or failing work via email or phone. Parents who have concerns about a student's academic progress should contact the teacher of the course. Information to access PowerSchool is provided to the parent at the beginning of the school year.

Communication with teachers is extremely important to the child's progress. Parents who would like to meet with a teacher should call the school to arrange an appointment. Please do not interrupt classrooms during school hours, or just "show up" before or after school to confer with your child's teacher. Conferencing can be very beneficial to your child's education when teachers know what parents would like to meet about and have adequate time to prepare. The school schedules conferences during the year. Please refer to the school calendar for specific dates or contact the teacher to set an appointment.

*If your tuition account is delinquent, Powerschool may not be accessible.

SCHEDULING AND SCHEDULE CHANGES

Scheduling begins for the following school year in approximately January. Students request courses to fit graduation requirements as well as choosing courses as electives. Courses are listed in the Program of Studies. It is not always possible to fit all the student's choices into a usable schedule, so alternative courses may be assigned. Study halls are sometimes provided to students who are taking College Credit Plus classes, the online Health class, or for other circumstances approved by the School Counselor or Student Success Coordinator. It is sometimes difficult to make changes after the high school schedule is completed. Because of this, the school urges parents and students to be sure of course selections at registration time. Once a student has registered, his or her schedule is set. Students that perform at a strong academic level in a standard level class and can keep up with the faster pace of the course are encouraged to select Honors classes in those subject areas. Students need teacher approval in order to enter an Honors class. A teacher or administrator may recommend that a student be placed in a different level of a course due to the student's achievement or ability.

Student requests for schedule changes must be made to the School Counselor or Student Success Coordinator. The student must remain in his or her original class until the change is complete. Students may not request a change because of the style of teaching, wanting to be with friends, or not needing the credit to graduate (this applies especially to seniors wanting to drop second semester course work). Students may not drop year-long classes at the beginning of the second semester. A student may be issued a Withdrawn/Failing (WF) grade for the course. An example of this situation would be a student who is dropping a course to avoid failing that course. The WF grade is reported on the student's transcript and may impact the student's GPA. Students would be notified of this decision before the schedule change is made. The Principal makes any other decisions regarding schedule changes. These decisions are final.

GRADING SCALE

The grading scale is used for all core curriculum, specials, electives, and conduct in grades 1-12. Different combinations of percentages, letter grades, and alternative markings are used depending on the grade level.

A+	98-100%
A	94-97%
A-	92-93%
B+	90-91%
B	85-89%
B-	83-84%
C+	81-82%
C	75-80%
D	70-74%
F	below 70%

These grades are used in some cases:

I	Incomplete
S	Satisfactory
U	Unsatisfactory
N	Needs Improvement
WP	Withdrawn/Passing
WF	Withdrawn/Failing

HIGH SCHOOL SEMESTER EXAMS

Semester exams or projects are given in all high school level classes. Students do not earn credit for courses if exams are not taken. The courses are considered incomplete.

HIGH SCHOOL SEMESTER GRADES

Credit in the high school is earned based on the semester grades. Quarter grades are each worth 40% and the semester exam is worth 20% of the semester grade.

INCOMPLETE GRADES

Academic work in courses that is not completed during the grading term must be completed within two (2) school weeks of the completion of the term. Assignments that are not completed within this time are scored as 0 before the final grade is calculated.

HIGH SCHOOL GRADE POINT AVERAGE (GPA)

Grade Point Average in the high school is calculated with grades weighted for credit. An A+, A, or A- earns four (4) points; a B+, B, or B- earns three (3) points; a C+, C, or C- earns two (2) points; a D+, or D earns one (1) point; an F or an I earns zero (0) points.

High School students in Honors level, AP, or College Credit Plus courses receive extra grade point weight for earning high grades. An A+, A, or A- earns five (5) points; a B+, B, or B- earns three and three-quarters (3.75) points; a C+, C, or C- earns two and one-half (2.5) points.

A student's cumulative GPA is calculated at the end of each semester and is the total number of grade points earned divided by the total credits earned by the student for courses that count toward the GPA.

HONOR ROLL GUIDELINES

The school's Honor Rolls are based on the grades earned by the student each grading term. Grades from the core curriculum and specials classes are included in the Honor Roll determination.

FIRST HONORS are awarded to students who earn all A's or S's.

SECOND HONORS are awarded to students who earn all A's, B's and/or S's.

THIRD HONORS are awarded to students who earn all B's or S's.

HIGH SCHOOL PRINCIPAL'S LIST HONORS are bestowed on students who earn all A's including conduct for a semester.

Students with a Conduct grade of C or below are not eligible for Honor Roll.

HIGH SCHOOL GRADE LEVEL CLASSIFICATION

To be considered a member counted in a specific grade, high school students must receive a credit in the Theology course for each semester they attend Cardinal Stritch and comply with the following:

- Grade 9: No credits and 1st year in high school
- Grade 10: 5.5 credits and 2nd year in high school
- Grade 11: 11.5 credits and 3rd year in high school
- Grade 12: 17.5 credits and 4th year in high school

The Principal must approve any exceptions to these guidelines.

ACADEMY GRADE LEVEL PROMOTION, PLACEMENT, & RETENTION

The goals and objectives for each subject at each grade level at Cardinal Stritch are contained in the Courses of Study of the Diocese of Toledo. These objectives are used in evaluating each student's progress and are the basis for determining either promotion or retention. The judgment as to whether the child is ready to progress to the next grade rests with the classroom teacher in conference with the parents, principal, and intervention specialist. Parents are notified within a reasonable time if retention or placement is evident for their child. The decision to retain a child in a certain grade does not require parental consent; it is a school judgment based on pupil performance and the ability to achieve at grade level.

At the end of each school year, promotions, placements, and retentions are determined as follows:

- PROMOTED - passed to the next grade.
 - PLACED - student may need to complete summer enrichment or other program and/or an academic contract may be imposed on the student for the following year.
 - RETAINED - student needs to repeat the grade.
- A student may be placed or retained for the following reasons:
- working below grade level;
 - continued lack of responsibility in completing assignments;
 - excessive unexcused absences or accumulation of fifteen (15) absences without a doctor's slip;
 - failure of any core subject (Religion, Language Arts, Mathematics, Science and Social Studies) in two or more quarters;
 - earning D's and/or F's in any two core subjects in two or more quarters; or
 - determination that placement or retention is in the student's best academic interest.

It is the duty and responsibility of the teachers and school to notify parents through midterm reports, conferences, and report cards if any or all of the above conditions are present. Parents and teachers work together in planning possible remedies to the problem. If the deficiency continues, placement or retention should be expected.

TESTING PROGRAM

Standardized tests are administered to students. Tests are selected based on State requirements, Diocesan recommendation, and/or a school decision. The testing program prepares students for future standardized tests as well as providing families and the school with data about the students.

COLLEGE CREDIT PLUS (CCP)

Any College Credit Plus class that is offered on the Cardinal Stritch campus **MUST** be taken on the Stritch campus. Any CCP class only offered at the college or university must be taken online or must be taken without interruption to the student's schedule at Cardinal Stritch.

HIGH SCHOOL RECOVERY CREDIT

Students who fail a semester of a required class for graduation must successfully complete recovery credit in order to meet the criteria for graduation. Students who fail a first semester course must complete their recovery credit in the first 60 days of second semester of the current school year. Students who fail a second semester course need to complete the recovery credit in the summer by July 31. Recovery Credit is completed through Educere. The School Counselor or Student Success Coordinator will send a letter to parents and students with information about enrolling and paying for the course recovery. Students may not take more than six (6) semesters of recovery credit in four years in order to graduate from Cardinal Stritch Catholic High School.

Seniors that fail a course during the second semester of Senior year will not participate in graduation but will receive a diploma when the recovery credit is completed and passed and as long as all fees and tuition is paid in full.

PHYSICAL EDUCATION POLICIES

High school students must complete two (2) semesters of Physical Education to graduate. Under some circumstances, students who participate in athletics may receive credit for Physical Education rather than taking the class. Interested students should consult the School Counselor for information. Any student who is physically unable to participate in physical education class must present a note from a doctor. If the student continues in the class and actively participates as much as the health problem permits and takes notes and tests, the student may receive credit. However, if the student is excused from physical education altogether, the student must have a doctor's excuse for all four (4) years of high school and approval from the State of Ohio.

ACADEMIC PROBATION

Students in grades 7-12 who earn a GPA less than 2.0 and/or 2 F's during a grading term (Quarter) are placed on Academic Probation and may be ineligible or have restricted eligibility for the next grading term. During the term of the Academic Probation, an ineligible student is unable to participate in school activities, athletics, and/or extra-curricular activities per a probation contract prepared by the school administration. Students placed on Restricted Eligibility may continue to participate in school activities, athletics, and/or extracurricular activities, while being monitored by school administration. Failure to meet the requirements of a Restricted Eligibility contract may cause the student to become ineligible.

A student or parent may appeal the conditions and consequences in writing to the Student Awareness Committee. This committee may review the term or conditions of the probation and make recommendations to the school administration. The student will meet with the Student Success Coordinator or a designated faculty member to monitor progress. A student may remain on Academic Probation until improvement is shown. If improvement is not shown, the student may have to repeat classes, reschedule classes, or complete online classes to keep on schedule to pass the current school year and graduate on time. Failure to do so may result in an academic hearing. The student may have to repeat a grade or be asked to leave Cardinal Stritch.

ACADEMIC DISHONESTY

Cardinal Stritch Catholic High School & Academy wish to foster an environment of enthusiastic learners, so dishonesty cannot be tolerated. It can be tempting to take the "easy way" to get a good grade. However, it is far more important for students to honestly put forth their own best efforts to pursue academic success. For these reasons, academic dishonesty including cheating and plagiarism should always be avoided.

CHEATING

Cheating is a serious matter. Although the following list is not comprehensive, it contains a number of dishonest behaviors that are examples of cheating.

- Copying homework, papers, lab reports, or projects from another student, internet source, or other source.
- Passing information concerning specific questions or answers for a test or quiz to a later class or supplying one's own work to another student to copy.
- Providing, requesting, or receiving information about a test or a quiz before a make-up test or quiz.
- Using unauthorized notes, study aids, or information (i.e. cheat sheets or internet sources) to complete a test, quiz, or other class assignment.
- Altering graded work after it has been returned, then submitting the work for re-grading.
- Submitting identical or similar papers for credit in more than one (1) course without prior permission from course instructors.
- Obtaining a copy of a test or quiz prior to taking it.
- Retaining or circulating test materials that are clearly intended to be returned to the instructor at the conclusion of the test.
- Using a programmable calculator to store test information or otherwise passing information using electronic devices.

The teacher and Dean of Discipline determine appropriate consequences depending on the nature of the incident. Academic penalties are assessed according to the rules established by the teacher at the beginning of the course.

PLAGIARISM

Plagiarize: To steal and use (the ideas or writings of another) as one's own. To appropriate passages or ideas from and use them as one's own. (American Heritage Dictionary)

Plagiarism is a serious form of stealing that can result in criminal charges. Examples of plagiarism include copying ideas or writings from books, encyclopedias, Internet sources, magazines, and papers purchased from others or from Internet sources. One way to avoid plagiarism is to properly cite the sources used. All teachers follow the Modern Language Association (MLA) format for documenting sources. If students are unsure how to cite a source, they should see a teacher. Although the English Department thoroughly covers what plagiarism is and how it can be avoided, it is the responsibility of every teacher to enforce the rules. Plagiarizing work is a serious offense that results in detentions and/or demerits plus a "0" on the plagiarized assignment.

EARLY GRADUATION

Cardinal Stritch Catholic High School & Academy

encourages a four-year program for high school students to better prepare them for the future. Therefore, early graduations are not approved.

BISHOP'S CROSS

The Bishop's Cross is awarded each year to two high school graduates, one male and one female, who maintain above average grades in religion and who demonstrate Christian service. Graduates apply for this award. The recipient is chosen by the Administration.

COMMENCEMENT CEREMONY

Students are allowed to participate in the commencement ceremony and are issued a Cardinal Stritch Catholic High School diploma only after completing all requirements for graduation and having paid all tuition and fees in full. Any student eligible to participate in the graduation ceremonies must participate in order to receive his or her diploma.

VALEDICTORIAN & SALUTATORIAN

The honor of representing the graduating class as the valedictorian or salutatorian is a tradition and privilege conferred by the administration of the school on the two academically highest-ranking seniors at the end of the first semester of the Senior year. Class rank is calculated for courses taken beginning with the ninth grade school year. Students must have been in attendance for five (5) consecutive semesters in order to be eligible for the top ten, valedictorian, or salutatorian. The valedictorian and salutatorian must not only represent outstanding academic achievement, but also witness to the community the philosophy of Cardinal Stritch in character and in personal values. In the rare event that either or both of the highest ranking students publicly do not reflect the tradition and philosophy of Cardinal Stritch, the Administration would name the next highest ranking student(s) to receive the honor. In the event of a tie, multiple students may be named as co-valedictorians and/or co-salutatorians.

TRANSCRIPTS

Seniors may request that transcripts be sent to colleges or other institutions at no cost. Transcripts of credit earned are not mailed to any school, including other high schools, unless all obligations to Cardinal Stritch Catholic High School & Academy are complete, i.e., tuition paid, books returned, and fines paid.

Good attendance and punctuality demonstrate that students believe that every minute counts. Students who strive to be both present and on time show consideration to other students and the school. The administration, faculty, and staff of Cardinal Stritch Catholic High School & Academy enforce our attendance policy keeping in mind that each student must learn these habits.

"For where two or three are gathered together in my name, there am I in the midst of them."
Matthew 18:20

Cardinal Stritch maintains attendance records in order to satisfy the minimum standards prescribed by the State Board of Education. Absences are recorded for illnesses (inclusive of hospitalization), doctor and dentist appointments, funerals, athletic events/tournaments (excluding players), and planned absences. Absences are not tallied for athletic participation, educational or school-related functions, field trips, or in-school support groups.

A student should be kept home when:

- A temperature is over 100 degrees- Keep student home until the fever is less than 100 degrees for 24 hours without fever reducer being used
- Vomiting or diarrhea are present- Symptoms should be gone for 24 hours from the last episode before returning to school
- A symptom could be considered contagious to others (pink eye, strep throat, etc.)

ABSENCE NOTIFICATION

If a student is to be absent from school for any reason, the parents or guardians are required to notify the school with a call to the office before 9:00 a.m.(419.693.0465), to be in compliance with the Missing Child Act of the State of Ohio. If a child's absence is known ahead of time, parents are to contact the office. If a child misses more than three (3) consecutive days due to illness, he or she must have a doctor's slip to return to school.

In addition to the phone call, students who receive an EdChoice Scholarship MUST ALSO bring a note from a parent/guardian to school when they return from the absence. This is required for reporting to the State of Ohio. Failure to do so may result in the loss of the scholarship.

ABSENT WORK POLICY

Students who are absent from school make up assignments when they return to school for classes. Students are usually afforded one day to make up work for each day absent. If additional time is required, students should make arrangements with their teachers. Students who miss school because of hospitalization or chronic illness are considered on an individual basis and provisions are made as the need arises. When students are absent for longer periods of time, parents may request the assignments. Parents should not interrupt teachers during class time or before classes to obtain assignments for the student.

The school attempts to have the work available after school in the Main Office, but a reasonable amount of time to collect it is needed.

ILLNESS DURING SCHOOL HOURS

Students who become ill during the school day must report to the Health Care Provider, who will contact a parent/guardian before the student is excused. Cardinal Stritch shall not be held responsible for the transportation of any student whose parent/guardian gives permission over the phone for an ill high school student to drive himself or herself home. Students going home from school ill are not permitted to participate in school extracurricular activities on that day unless excused by school administration.

EXTRACURRICULAR PARTICIPATION

Students must be in school by **10:00 am** on the date of an activity, event, practice, or athletic contest. Students who are absent for appointments should follow the policy for returning from appointments. Other exceptions are made at the discretion of the administration. Students are expected to be in school for the start of the school day following an activity, event, practice, or athletic contest. Exceptions are made at the discretion of the administration. If a student will be absent or tardy to school, parents should notify the school.

PLANNED ABSENCES

Planned absences must be cleared through the Main Office one (1) week in advance. Parents or legal guardians are expected to accompany the student for the planned absence. The procedure for completion of the Planned Absence is:

- Turn in a note from a parent/guardian to the Main Office. The note indicates the dates and reasons for the absence.
- A planned absence form is signed by the teachers (who may indicate the student's current academic status) and reviewed by the school administration. The completed form is kept on file in the Main Office.

Please note: Family vacations that include missing school time are NOT encouraged. If the family does go on vacation, the student is to complete the Planned Absence Form. Teacher(s) are not expected to make long-range assignments nor to release needed textbooks or school materials for the convenience of a student vacationing.

Days missed for vacations are considered absences. Students who are taken out of classes because of family trips or vacations are given their missing assignments when they return to school. Failure to follow the procedures for planned absences may result in the absence being considered unexcused. Completing a Planned Absence form does not automatically excuse the student's absence. The school considers the student's academic and attendance record before excusing absences, especially for students on Academic or Attendance Probation. Students and/or parents are notified if the planned absence is considered unexcused by the school.

COLLEGE VISITS

Students in the high school are encouraged to visit colleges during the summer or on free days. Students requesting to be excused from school to visit a campus must file a Planned Absence form. Each senior may make two (2) college visits that are not counted against the student's perfect attendance. The School College and Career Advisor or Counselor must approve additional visits. Students should make an appointment ahead of time with the advisor or counselor to go over suggestions as to what to look for on the college visit. Students must get a letter from the campus they visit and present it to the Main Office upon returning to school. Students are responsible for all work that they miss and must follow the absent work policy.

FUNERALS

Students planning to attend a funeral must bring a note from their parent/guardian one (1) day in advance of the funeral and present the note to the Main Office.

ATHLETIC EVENTS/TOURNAMENTS

Students missing school to attend tournaments must complete and file a Planned Absence form by the day before the event. Since the tournament is a school-related function, students abide by school rules at all times. Students who are on probation are not excused from school to attend tournaments - no exceptions. Normally, students are excused from school only on the Friday of state tournaments. Cardinal Stritch strongly encourages that students attending tournaments be chaperoned by parents. Students who do not follow the proper procedure may be considered unexcused. Brothers and sisters of participants may be excused during the time of the tournament competition by following the Planned Absence procedures.

SHADOWING FOR HIGH SCHOOL (Grade 8)

Some students may desire to visit the area Catholic High Schools during the application process. It is our policy to allow students two (2) visits. Prior to these visits, please follow the following procedure:

- Parents/Students contact the school to be visited to find out the school's procedure for student visitors: proper dress code, lunch arrangements, beginning and end of the school day, etc.
- School visits should be scheduled for days in which Cardinal Stritch is not in session or parents follow the Cardinal Stritch procedure for a Planned Absence.
- Cardinal Stritch students receive a form from the Main Office that needs to be signed by the Principal or his or her designate of the school being visited. That form is returned to the Main Office upon the student's return to Cardinal Stritch. Students who fail to return the form are considered unexcused from Cardinal Stritch.

Students complete any assignments missed while they are out. Homework, quizzes, and tests that are not completed upon return are recorded as a zero. Students who fail to follow the procedure may lose the privilege to visit other schools. In addition, the absence is considered unexcused, and students may be considered truant. Truancy results in issuance of demerits. Any class work missed is a zero; students are not allowed to make-up work missed.

APPOINTMENTS/EARLY DISMISSALS

If possible, appointments with a doctor or dentist should be scheduled outside of regular school hours. A parent must call the school if a student is late, because of an appointment. If a student must leave for an appointment during school hours, written notice should be provided to the Main Office on the morning of the day of the appointment. Students in the Academy must be picked up in the office for all early dismissals from school. High School students must present a note from the parent/guardian to the Main Office to obtain a Permit To Leave School Grounds on the day of the appointment. Appointments count as absences from school. Parents should be aware that requests for early dismissals are rare exceptions rather than the rule. Students who are taken out of classes for appointments make up the work when they return the next day, unless otherwise directed by the teacher. Upon return to school, students must present written confirmation from the medical office of the appointment to the Main Office for accurate attendance keeping. Failure to do so may result in the absence being recorded as unexcused.

TARDINESS DURING THE SCHOOL DAY

A student is tardy if he/she enters the classroom after the start bell. Any student reporting at a later time must report to the Main Office for an admittance slip.

Teachers of students in grades 7-12 record tardies. Students who are kept by a teacher should take the hall pass to the Main Office before going to the next class to avoid being considered tardy. Students in grades 7-12 who receive three unexcused tardies to a class receive a detention.

TRUANCY POLICY

Regular school attendance is important in students' academic success. Excessive absences interfere with student's progress in mastering the knowledge and skills necessary to advance to the next grade level and ultimately graduate high school. To support academic success for all students we will partner with parents and families to identify and reduce barriers to regular school attendance.

A "habitually truant" student is any child of compulsory age (ages 6-18) who is tardy/absent without a legitimate excuse for:

- 30 or more consecutive hours (4.5 days) without a legitimate excuse*
- 42 or more hours (6.25 days) in one month without a legitimate excuse
- 72 or more hours (10.5 days) in one year without a legitimate excuse

*Legitimate/Excused reasons to be absent from school include personal illness with doctor's note stating that the child is unable to attend school on given day(s), medical excuse, death in the family, quarantine, and/or court suspension.

*Unacceptable reasons for being absent/tardy from school may include but are not limited to: oversleeping, car trouble, missed the bus, ride did not show up, shopping, haircut, babysitting, out-of-school suspension, truancy, non-school sponsored activities or sporting events, other absences not listed as excused. A doctor's appointment does not constitute an automatic excused absence.

When a student is habitually truant, the following will occur:

1. Within seven (7) days of the triggering absence, the school will:
 - Convene the Student Awareness Committee, the parent(s), and student for an Attendance Intervention Team meeting
 - Make three attempts to secure the student's parents/guardians participation on/in the AIT

meeting

2. Within seven (7) days of the AIT meeting, the school will develop the Attendance Intervention Plan and will notify and provide the plan to the parents/guardians.
3. If the student does not make progress on the plan or continues to be habitually truant, the school may ask the student to leave Cardinal Stritch and may file a complaint in juvenile court.

EXCESSIVE ABSENCE POLICY

A student has "excessive absences" when a child of compulsory age (ages 6-18) is absent:

- 38 or more hours (5.5 days) in one school month with or without a legitimate excuse.
- 65 or more hours (9.5 days) in one school year with or without a legitimate excuse

When a student is excessively absent from school the following will occur:

1. Within seven (7) days of the triggering absence, the school will:
 - Convene the Student Awareness Committee, the parent(s), and student for an Attendance Intervention Team meeting
 - Make three attempts to secure the student's parents/guardians participation on/in the AIT meeting
2. Within seven (7) days of the AIT meeting, the school will develop the Attendance Intervention Plan and will notify and provide the plan to the parents/guardians
3. If the student does not make progress on the plan or continues to be excessively absent, the student and family may be referred to community resources, the student may be asked to leave Cardinal Stritch, and the school may file a complaint in juvenile court.

Because of our mission to form disciples, Cardinal Stritch operates with respect and reverence toward God, ourselves, each other, and the school. School policies are created to help students become respectable and reverent members of the school community and citizens of the world. Students are expected to follow policies both during the school day and when attending all school-related activities such as dances, games, practices, field trips, etc. Throughout their lives, students must respect appropriate social guidelines and expectations. The Cardinal Stritch Catholic High School & Academy administration, faculty and staff are committed to encouraging students to develop this sense of community.

Do not conform yourselves to this age but be transformed by the renewal of your mind, that you may discern what is the will of God, what is good and pleasing and perfect.

SCHOOL CLOSINGS & DELAYS

School closings or delays are announced on television, radio, and with the school's alert system. The school answering machine is updated after 7:00 a.m. When school is delayed, students should not be dropped off more than half an hour before the first bell.

The alert system sends notifications via phone, text, and email. Parents should make sure that all notifications are properly selected, so they receive the information they desire and in the desired form.

Transportation home is provided for these students IF the appropriate Yellow Bus School District was also open that day.

ATHLETICS CANCELLATIONS

When school is closed due to inclement weather conditions, the Director of Athletics makes the final decision by 2:00 p.m. whether afternoon and evening practices and games will take place that day based on the continuing weather conditions and forecast. If practices are permitted in the afternoon on a weather-closing day, student-athlete attendance is encouraged, but not mandatory, and the student-athlete cannot be penalized if he or she is unable to attend. Practices scheduled in the afternoon and evening may not be moved up before 3:00 p.m. on weather-closing days

CAFETERIA & FOOD SERVICE

Meals are planned and prepared by professionally trained personnel. Menus are posted monthly. Students should show good behavior while waiting in line, be polite and considerate to those who are serving food, and keep the cafeteria clean and neat by returning all dishes, silverware, and paper to the proper places and wiping the tables clean after eating. Any student in grades 7-12 throwing away cafeteria trays or other reusable materials or equipment is fined the cost of the item (even if recovered) and given a detention. Academy students (K-6) receive consequences according to classroom policies. During lunch periods, students remain in the cafeteria unless granted permission to leave by a lunchroom monitor.

Students may choose to keep a declining balance that is accessed through a 5-digit PIN at the register. Deposits can be made to the account at the register, and the current balance can be found on PowerSchool under the Balances tab.

FOOD, BEVERAGES, & GUM

Per regulations of the Health Department, food and beverages are consumed in the cafeteria. Consumption of food and drinks is not allowed in the classrooms or hallways. Chewing gum is not permitted anywhere in the school building during school hours.

Restrooms in the athletic hallway are closed during the school day, except for students in classes in that area.

LOCKERS**Grades 1-4**

Students have locker space assigned by teachers to keep book bags, lunches, coats, toys and other personal items. Students may share this space with other students. Student books and school supplies are kept in the student desks in the classrooms.

Grades 5-12

The school assigns lockers to students. Each student has his or her own locker. Students do not have an assigned desk in a classroom. The locker is the space for students to keep book bags, lunches,

TELEPHONES & PHONE MESSAGES

If a student needs to use a telephone, he or she can ask permission to use the phone in the Main Office. School telephones in any classrooms or offices are not to be used by students unless granted

permission by a faculty or staff member.

In order to reduce classroom interruptions, parents are asked to give all messages concerning rides, doctor appointments, etc. to the student before he or she leaves for school. Messages called in by anyone other than a parent/guardian are not delivered to the student unless that call is verified by a parent/guardian.

CELL PHONES AND ELECTRONIC DEVICES

Cell phones and other electronic devices **are permitted** during lunch and between classes at the risk of the user. Upon entering a classroom, cell phones and electronic devices **must be placed into the appropriate container where they remain until the end of class.** Teachers may allow students to use their devices during class time when deemed appropriate. Devices should be silenced during the school day or head phones should be used at an appropriate volume. Use of the device may not distract, disrupt, or otherwise interfere with the educational environment. Phone calls are made from the Main Office or under the supervision of a faculty member or administrator.

CELL PHONES & ELECTRONIC DEVICES

Use of a cell phone or other electronic device during unpermitted times results in the device being confiscated and a detention. For the first offense, students may claim the device at the end of the school day from the Dean of Discipline. For the second offense, a parent/guardian must claim the device from the Dean of Discipline. Subsequent offenses also result in a \$20 fine per offense. The device is not returned until the fine is paid.

FOOD, BEVERAGES & GUM

Eating or drinking outside the cafeteria results in a detention. Chewing gum results in a detention.

IDENTIFICATION CARD

Failure to display the ID is considered a deliberate decision to defy the school safety plan. Students are given the opportunity to correct this infraction and correctly display the ID. Students who cannot produce the ID may be required to purchase one. Repeated refusal to correctly display the ID results in a detention and/or consequences determined by the Dean of Students.

MISUSE OF CAFETERIA EQUIPMENT

Misuse, damage of cafeteria equipment, or disposal of trays in trash cans results in a detention. Restitution or replacement of equipment is the student's responsibility.

MISUSE OF LOCKERS

Misuse of a locker, tampering with the locking mechanism, having inappropriate decorations, etc. results in a detention. Restitution for damages is the responsibility of the student as assessed by the school. Repeated or severe misuse may result in demerits or the loss of locker privileges.

Absences from classes due to dress code infractions may be considered unexcused.

Cardinal Stritch Catholic High School & Academy has established a Code of Conduct which respects the rights of the students while it works to strengthen the character, insure the safety, and protect the welfare of all students and staff. Conduct becoming a Cardinal Stritch student is expected at all times. Students should maintain respectful attitudes toward other students, the faculty and staff, school activities and programs, and the school building and grounds.

RESPECT FOR OTHER STUDENTS

Classroom behavior should not disrupt other students' ability to learn, to respond to a teacher, or to do their own work. Students should be polite and use appropriate manners in their dealings with other students. Behavior in common areas (hallways, restrooms, the cafeteria, etc.) should allow all students to use those areas safely. Running through halls, yelling, pushing, and shoving, etc. are not tolerated. Harmful words and actions are not tolerated. Damaging the reputation of other students is not acceptable.

RESPECT FOR FACULTY & STAFF

A student's behavior should not disrupt a teacher in a classroom, nor distract a teacher from educating other students. Students should address adults appropriately. Students are polite and respond to reasonable requests from faculty and staff members. When asked for information, students should respond truthfully. Damaging the reputation of faculty and staff is not acceptable.

RESPECT FOR ACTIVITIES & PROGRAMS

Liturgies, assemblies, pep rallies, and other programs exist to foster the family spirit of the school. Appropriate behavior should be displayed for each. Students should listen attentively when other students, faculty, staff, or guests are speaking. Participation is encouraged when called for. Students should remember that time and effort goes into planning an event, so regard for the planners and participants must be maintained.

RESPECT FOR THE BUILDING & GROUNDS

Classrooms are meant to be areas of learning. Teachers work to create environments where education is encouraged. Common areas are to be kept neat and clean. Trash should be thrown away. Furniture in classrooms, the cafeteria, gymnasium, and other areas should be used for the intended purpose. This furniture should not be written on or marked, but should be kept in good condition for other students to use. Areas should be left as they are found or in better organization or condition.

DISHONESTY & FORGERY

Falsifying, misrepresenting, or withholding of information requested by a faculty or staff member results in a detention. Depending on the nature of the incident demerit(s) may be issued.

The misuse of school forms or signing a name other than one's own results in a detention and the immediate notification of the parents. A parent may not give a student permission to sign the parent's name to any school form. This is considered forgery.

DISRESPECTFUL, DISRUPTIVE & UNRULY BEHAVIOR

Disrupting class, liturgies, assemblies, travel in hallways, or lunch including disrespect shown toward another student or faculty/staff member through action or word results in a detention. Severe cases may result in demerits or suspension from school.

Students who are removed from class must meet with the Dean of Discipline. Permanent removal from a class due to continual disruption results in loss of credit for the class, a "WF" (Withdrawn/Failing) for a grade on the report card.

Disrespect shown at an assembly or Mass through constant talking or other inappropriate actions may also result in removal from all assemblies for an appropriate time period established by the Dean of Discipline.

FIGHTING

All students involved in a fight may be sent home immediately. The Dean of Discipline conducts an investigation and decides on consequences. Depending on the nature of the incident, these may include suspension from school or expulsion.

If the property of a student, faculty or staff member, or of the school itself, is stolen or vandalized, restitution of the article or payment for damages, in addition to the penalty assigned by the Dean of Discipline, is required of the offender.

VULGARITY

Use of vulgar language results in a detention. Depending on the severity of the language, demerits may be issued. Racial or ethnic slurs or sexually abusive language may result in suspension from school.

WEAPONS

Students who possess firearms, knives, explosive devices, brass knuckles, or any object that is determined by the Dean of Discipline or Administration to be used for bodily harm are sent home immediately. Demerits are issued. The Dean of Discipline conducts an investigation and decides on further consequences. Depending on the nature of the incident, consequences may include suspension from school or expulsion. If warranted, local law enforcement is contacted.

BUILDING ACCESS

Entrances to the building are locked when school is in session. All visitors to Cardinal Stritch must enter through the front doors of the building.

SAFETY AND EMERGENCY DRILLS

During the school year, emergency drills for fire, tornado, lockdown, or other emergency procedures are conducted. During any drill, these procedures must be followed:

1. Be silent after P.A. announcements or alarm.
2. Listen to and follow instructions.
3. Move quickly to designated area or exit.

FIRE DRILLS

State law requires efficient and quiet fire drills with total and orderly evacuation of the building. Routes are posted in the classrooms.

TORNADO DRILLS

In the event of a tornado or high winds, the following places must be evacuated: boiler room, cafeteria, classrooms, hallways near glass, gymnasium, and upstairs sections of the building. Evacuation routes are posted. Students should:

1. Avoid all glass.
2. Go to designated area with a book. Sit, pull up knees, cover the head with the open book, and keep head down.
3. Remain in this position in complete silence until an "all clear" announcement is given.

LOCKDOWN AND SAFETY ALERT DRILLS

Lockdown and Safety Alert procedures are posted in classrooms.

TECHNOLOGY USE & ACCEPTABLE USE POLICY

Any student using the Internet or other technology provided by Cardinal Stritch Catholic High School & Academy must comply with the Acceptable Use Policy (AUP). The acknowledgement of the AUP is signed by both the student and his or her parent and kept on file. To ensure enforcement of the policy, the school provides for monitoring of Internet use history, or various software and hardware tools. The full text of the AUP is found at the end of this Handbook.

SCHOOL HEALTHCARE PROVIDER (SCHOOL NURSE)

The School Healthcare Provider's office is across the hall from the Main Office. The Nurse is available daily to provide first aid to students. Students with special medical problems should keep the Nurse informed of them.

MEDICAL FORMS

Student Emergency Medical Authorization forms must be returned to the school on the first day of school. State law requires that they be kept on file each year. Students who have not returned the form may not be allowed to attend classes.

LICE

Students found with lice are sent home immediately. Upon returning to school the School Healthcare Provider clears a student to return to classes. Students must be "nit free" to return.

PREGNANCY & MARRIAGE

Due to health and safety concerns, students who become pregnant must notify the school immediately. Students involved in a pregnancy are encouraged to continue their schooling and to receive counseling. The school reserves the right to ask a student to leave if the pregnancy creates a concern for the health and safety of the student. The student is encouraged to return to school as soon as possible following the pregnancy. Students may not bring their children to the school during regular school hours.

Cardinal Stritch is firmly opposed to early marriages. Students who marry or whose living arrangement is other than with a parent or legal guardian may be asked to discontinue their education at Cardinal Stritch.

MEDICATIONS (PRESCRIPTION & NON-PRESCRIPTION)

The School Healthcare Provider keeps all medications (with the exception of inhalers). Signed documentation from both the parents and a physician describing the nature of medication and the recommended dosage and changes of dosage must be furnished to the school. The school refuses to permit any child to take any medication during school hours or supervised activities unless and until said form is furnished.

Cardinal Stritch does not dispense non-prescription medicines (Tylenol, etc.) to any student without the same documentation from parent and physician. Students may not carry these medications on their person or keep them in lockers. Students may not provide any medication to any other student. All medications must be turned in to the Nurse.

INHALERS

For a student to possess and use an inhaler, the school must have written permission from the parent and approval from the physician. The physician's approval must include:

- Student's name and address;
- Name of medication contained in the inhaler;
- Date administration of the medication is to begin;
- Date administration of the medication is to cease;
- Written instructions that outline procedures the school personnel should follow in the event that the asthma medication does not produce the expected relief from the asthma attack;
- Any severe adverse reactions that may occur to the student using the inhaler that should be reported to the physician;
- Any severe reactions that may occur to another student for whom the inhaler is not prescribed, should he/she receive a dose of the medication;
- At least one emergency number for contacting the physician;
- At least one emergency number for contacting the parent/guardian; and
- Any other special instructions from the physician.

Under no circumstances is Cardinal Stritch, any member of the Board, or any Board employee liable for injury, death, or loss of person or property when an employee of Cardinal Stritch prohibits a student from using an inhaler because the employee believes in good faith that the required written approvals have not been received by the school Health Care Provider. Additionally, liability does not accrue due to harm caused by the use of an inhaler when the employee believes in good faith that the school Health Care Provider has received the written approvals.

HARMFUL SUBSTANCE NON-USE AGREEMENT

The use of alcohol, drugs, tobacco, and vaporized liquid (nicotine or non-nicotine based) by students is detrimental to both the student and the school community as a whole. The Non-Use Agreement encourages all students to make responsible choices. Acknowledgement and commitment to the Agreement is signed by both the student and his or her parent and kept on file. The full text of this Agreement is found at the end of this Handbook.

INTIMIDATION POLICY

Cardinal Stritch Catholic High School & Academy strive to be free from bullying, harassment, or intimidation of any kind. Any intentional written, verbal, electronic, or physical act that a student exhibits toward another student more than once that causes mental or physical harm and is sufficiently severe, persistent, or pervasive that it creates an intimidating, threatening, or abusive educational environment constitutes bullying, harassment, or intimidation. (Ohio Revised Code Sec. 3313.666)

Acts can occur at school, on a school bus, or at school-sponsored functions. Acts that occur off school grounds, but disrupt the learning environment, may also be grounds for disciplinary action. Bullying, harassment, or intimidation is defined as including any or all of the following:

- Electronic includes acts committed with a cellular phone, computer, pager, personal communication device, or other electronic communication device.
- Physical includes unwanted touching, contact, assault, deliberate impeding or blocking of movements, or any intimidating interferences with normal movement.
- Sexual includes unwelcome sexual advances and other verbal or physical conduct of a sexual nature. Prohibited acts include verbal, physical, or visual conduct of a sexually offensive nature. Specific examples of acts include repeated offensive sexual flirtation, advances, propositions, continual or repeated abuse of a sexual nature, graphic verbal commentary about an individual's body, sexually degrading words to describe an individual, or displaying sexually suggestive objects or pictures in the school.
- Verbal includes derogatory comments, jokes, or slurs. This includes belligerent or threatening words spoken to another student.
- Visual includes derogatory, demeaning, or inflammatory posters, cartoons, written words, drawings, novelties, or gestures.

HARASSMENT

The school treats all allegations seriously and in a confidential manner.

1. A student who believes he or she is a victim of bullying, harassment, or intimidation may elect to express his or her displeasure directly to the perpetrator before notifying the administration of the act.
 - If the objectionable acts do not cease, or if the victim is not comfortable confronting the perpetrator, he or she should report the harassment to a teacher, staff member, School Counselor, Dean of Discipline, or Administrator.
 - Any student who witnesses an act may report the act to school personnel. This report may be made anonymously by the student asking to remain so or by reporting the incident in writing to the Dean of Discipline.
2. The faculty or staff member notifies the Dean of Discipline, who promptly initiates an investigation of the concerns. This investigation includes a meeting with the alleged perpetrator to share the nature of the allegations. The parents of all students involved are contacted and informed of the situation. If deemed necessary, the Dean of Discipline may excuse the perpetrator from school during the course of the investigation. Cardinal Stritch Catholic High School & Academy is committed to provide appropriate support and assistance to victims and perpetrators during an investigative process.
3. Reconciliation between the victims and perpetrators is another goal.
4. The school is further committed to ensuring that there is no retaliation or reprisal for filing a complaint of harassment. However, if a complaint of harassment is found to be false, the school or the person(s) accused reserves the right to redress the complaint.

ALCOHOL, DRUGS, TOBACCO, & VAPORIZED LIQUIDS USE

Students failing to comply with the Non-Use Agreement are issued two (2) demerits and then disciplined according to the Agreement.

BULLYING, HARASSMENT, & INTIMIDATION

Based on the results of the investigation, the Dean of Discipline determines what, if any, disciplinary action is warranted. The disciplinary action relates to the nature, context, and seriousness of the harassment and may include all disciplinary actions up to and including expulsion.

In the event of a false accusation, the Dean of Discipline determines what, if any, disciplinary action is warranted.

COMPROMISING BUILDING SECURITY

Students who allow outside individuals access to the building during locked hours either directly or by propping designated "locked" doors receive a detention.

INTERRUPTING SAFETY & EMERGENCY DRILLS

Any disturbance during such critical times is a serious safety violation. Any action that would promote a tendency for danger is also considered a violation. These actions result in a detention. Depending on the nature of the incident, demerits may be issued by the Dean of Discipline.

INAPPROPRIATE USE OF TECHNOLOGY

Students who fail to comply with the Acceptable Use Policy receive a detention. More severe cases may result in demerits or loss of the privilege to use school technology according to the Acceptable Use Policy. Any materials posted on personal websites or other Internet communication media that are derogatory or threatening towards Cardinal Stritch Catholic High School, its faculty, staff, or students, are subject to school disciplinary procedures. Posting of evidence that a student or other students are or have been in violation of school rules and regulations also makes him or her subject to disciplinary action.

MEDICATIONS

Possession, use, or distribution of non-prescription medications outside of the School Healthcare Provider's knowledge and care results in a detention, confiscation of the medication, and immediate notification of the parents.

Possession, use, or distribution of prescription medications outside of the School Healthcare Provider's knowledge and care results in a detention, confiscation of the medication, and immediate notification of the parents. Depending on the nature of the medication, the conditions and terms of the Non-Use Agreement might also be applied by the Dean of Discipline. (Please review the Non-Use Agreement at the end of the Handbook.)

The Cardinal Stritch Catholic High School & Academy administration, faculty and staff believe all students should be treated fairly and with respect. However, students sometimes make unacceptable choices. When students make those choices and these actions directly affect the school or its philosophy, the school reserves the right to follow this Course of Action at its discretion.

At the time, all discipline seems a cause not for joy but for pain, yet later it brings the peaceful fruit of righteousness to those who are trained by it.
Hebrews 12:7

PROCEDURAL LINE OF AUTHORITY

The following line of authority handles discipline concerns. Students or parents should address discipline concerns to teachers first. It is rare that the Head of School would address discipline concerns.

1. Teacher
2. Dean of Discipline
3. Principal
4. Head of School

CONSEQUENCES OF INFRACTIONS

The teacher or Dean of Discipline reviews the infraction, evaluates the seriousness and attitude of the student and recommends the appropriate disciplinary action. Consequences include Detentions, Saturday School detentions, Demerits, Probation, Suspension, and Expulsion.

DETENTIONS

Detentions are served within two (2) detention periods of the issue date (usually one calendar week). Detentions are 45 minutes long Tuesdays and Thursdays after school in a designated room. Detention is an extension of the school day. Students are expected to be in dress code. Students may not bring work to do or a book to read. Students sit quietly and upright for the entire detention period. Students may not bring food or drink. Students may not use cell phones or other electronic devices (iPods, mp3 players, etc.) during detention.

Failure to serve a detention results in one (1) demerit. The detention must still be served.

Appeal: Students who wish to appeal a detention email the Dean of Discipline and copy the staff member who wrote the detention. The Dean of Discipline follows up with that teacher and makes a decision regarding the detention.

DEMERITS & CONDUCT GRADE

A demerit is issued for every three (3) disciplinary related detentions that a student receives. The Dean of Discipline also issues demerits for major infractions. Refusal to change behavior or repeating the same minor offenses may be considered a major infraction. Multiple demerits may be issued for a single infraction.

The number of demerits a student has been issued determines a conduct grade according to the following scale:

- A - 0 demerits
- B - 1 demerit
- C - 2 demerits
- D - 3 demerits - Probation/Discipline Hearing
- F - 4 or more demerits - Discipline Hearing

DISCIPLINARY PROBATION & ATHLETIC and EXTRACURRICULAR ELIGIBILITY

Students are placed on Probation when their conduct grade becomes a D (3 demerits). Probation is a stern warning that a student's disciplinary record is at a dangerous level and that he or she has a special need to prove himself or herself capable of following school policy. Extreme circumstances may justify immediate expulsion procedures.

When a student is placed on Probation, the Dean of Discipline notifies the parents in writing listing the disciplinary problems, duration of the probation period and consequences of the probation. Parents must sign a copy of this notice as proof of their awareness of the situation and return it to the school. During probation, the student meets regularly with the Dean of Discipline to review progress in disciplinary matters.

Students on probation are not granted hall passes. They forfeit any appointed or elected office for a school club, group or organization during the term of their probation. Reinstatement to these positions is at the discretion of the organization moderator after the probationary term ends. Students may be unable to participate in or attend other school events or activities (assemblies, pep rallies, dances, athletic events, etc.) during the term of the probation.

During probation, student-athletes are denied the privilege of participating on athletic teams for a minimum of twenty percent (20%) of the total contests in which the teams are allowed for an entire season per OHSAA regulations. Participation includes competing in events against outside competition at all levels (varsity, junior varsity, freshman and middle school levels), including dressing for contests. At the discretion of the head coach, the student may practice with the team and attend (out of uniform) all contests for which he or she is suspended. The student must request a meeting with the Dean of Discipline and Director of Athletics before being permitted to resume participation with the team. The student's athletic eligibility remains at the discretion of the school during probation.

The regular term for Disciplinary Probation is ten weeks. This term may be shortened on the basis of greatly improved behavior at the recommendation of the Disciplinary Board. Students may arrange this hearing with the Dean of Discipline after serving half of the probation term. The Board may recommend upholding the probation, adjustment or reduction of the disciplinary consequences, or concluding the probation. This recommendation is made to the Head of School who makes the final decision.

SUSPENSION

Any student accused of a serious wrong may be suspended for up to ten (10) days pending an investigation or adjudication. Suspension is from classes and all athletic or extracurricular events on the day(s) of suspension.

When a student is suspended, the Dean of Discipline sends the parents a form listing reasons and duration of the suspension. Parents must sign a copy of this suspension form as proof of their awareness of the situation and return it to the school. Students serving suspension are subject to a four (4) percent deduction from the quarter grade. This deduction is applied at the end of the quarter. Suspensions are usually served at the school in a location away from other students.

Suspended students may request an informal hearing to challenge the reasons, explain their actions, or appeal the suspension. The hearing is held before the Disciplinary Board at the earliest possible date. The Board may recommend upholding the suspension, adjustment or reduction the disciplinary consequences, or dismissal of the suspension. This recommendation is made to the Head of School who makes the final decision.

EXPULSION

Expulsion from school is invoked only as an extreme measure. The Dean of Discipline notifies the student and his or her parents of the intention of expulsion. The student is suspended from school immediately. An Expulsion Hearing is held before the Disciplinary Board at the earliest possible date. The Dean of Discipline summarizes the student's total disciplinary picture. The student is given an opportunity to answer the charges. Students may have parents and faculty advisors present at the hearing. Legal representation at the hearing is not permitted.

The Disciplinary Board makes a recommendation concerning the student. If the recommendation is to permit the student to return to school, he or she is advised of further consequences, restrictions, or probationary measures the Board feels are appropriate. If the recommendation is expulsion, the Head of School has sole authority for such action.

In the case of expulsion, parents are notified in writing the reason(s) for this action. The decision of the Head of School is final.

DISCIPLINARY BOARD

The Disciplinary Board is a committee established to make decisions in serious discipline matters and to help students who find themselves involved in this kind of trouble. The Disciplinary Board meets at the request of the Dean of Discipline when a student's conduct makes him or her subject to a level of probation, suspension, or expulsion.

Members of the Disciplinary Board may include the Dean of Discipline, School Counselor, and other faculty members. Faculty members are selected with the best interest of the student in mind and to allow for a fair adjudication of the situation. A student may give input to the selection of these faculty members to ensure due process is followed. Student mentors are also permitted to attend hearings.

Board meetings are informal discussions. Legal representation at a meeting is not permitted.

Board recommendations or decisions are made considering the good of the individual against the good of the school community.

ACHIEVE PROGRAM

The Achieve Juvenile Diversion Program through the Oregon Police Department allows first time offenders to avoid a criminal record. In the event of criminal action by a student, Cardinal Stritch may require that the student participate and successfully complete the program as a condition of remaining at Cardinal Stritch Catholic High School & Academy.

A family provides the foundation of our faith life and is our first and primary source of learning and experience. The Cardinal Stritch Catholic High School & Academy administration, faculty, and staff work with each family to help each student experience success during his or her time in school.

Be on your guard and be very careful not to forget the things your own eyes have seen, nor let them slip from your heart as long as you live, but make them known to your children and to your children's children.
Deuteronomy 4:9

CARDINAL FAMILY HOURS

It is our belief that we have been entrusted by God who is the Creator of all with the care of our world, church, school, and children. Out of gratitude for our many blessings we respond by sharing the gifts of our time, talent and treasure.

Every family with at least one child enrolled at Cardinal Stritch Catholic High School & Academy, Pre-K-12, is required to perform at least 30 Cardinal Family service hours per school year. **Pre-Kindergarten families who are enrolled 3 days a week are responsible for 15 hours, provided the pre-kindergarten student is the oldest. Pre-Kindergarten families who are enrolled 5 days a week are responsible for 30 hours. Cardinal Family service hours may be completed through Cardinal Stritch Catholic High School & Academy and at your place of worship. We request that at least 10 hours be completed at school by working home athletic events or by working one of the major fundraising events held throughout the year. High school students may count their hours in the parishes as either Cardinal Stritch Hours or S.O.S. Hours (service hours required for graduation), but not both. All school volunteers MUST complete the VIRTUS training. The VIRTUS training includes an online course, "Protecting God's Children", BCI background check, and a signed Expectations form. Please contact the office if you have questions. Cardinal Stritch is made up of diverse, talented members - students, parents, grandparents, alumni, neighbors and friends. It takes all of us - one hour, one project, and one commitment at a time - to get things done and to add to the success of our schools. In the past, volunteers have tutored, painted, written press releases, decorated, landscaped, set up databases, coached, supervised students during lunch and recess, chaperoned dances, just to name a few possibilities. In order to complete your hours and help us keep track of them please do the following:

- Be involved at Cardinal Stritch Catholic High School & Academy and at your church.
- Have a "Cardinal Family Service Hour" form with you when you are working.
- Ask the parish, school employee or person who is supervising/organizing the activity to sign the form.
- Return the completed "Cardinal Stritch" form to the school.

Stay tuned to the monthly Cardinal Family News or the school website for service opportunities.

ADVANCEMENT OFFICE

The Advancement Office is located in the main building in the hallway near the Main Office. In-house and external fundraisers, community relation projects, alumni contacts, and external school publications are coordinated through this office. The office is open during regular school hours.

FUNDRAISING POLICY

Cardinal Stritch Catholic High School & Academy is strategically positioned to increase the financial potential of every fundraising activity, while respecting the individuals and organizations that provide support to our school. We strive to optimize the amount of time, talent, and energy our students, parents, and staff spend planning and participating in fundraisers and other development activities. We expect that all individuals representing Cardinal Stritch operate in accordance with our Fundraising Policy.

1. All fundraising activities must be approved by the Advancement Office and Administrative Staff.
 2. Before fundraising activity begins, contact the Advancement Office for the details of the policy and procedures, and obtain a copy of the fundraising request form.
 3. The fundraising request form must be submitted to the Advancement Office 60 days prior to the fundraising activity.
 4. Each group is allowed one external fundraiser during the school year.
 5. All fundraisers are conducted for activities happening during the school year.
- Questions concerning the policy can be directed to the Vice President of Advancement.

TUITION, FEES, & FINANCIAL AID

All tuition is due by an announced deadline each year. By this deadline, each family shall either have paid tuition in full or have a plan on file with the Finance Office that indicates how tuition is paid. Cardinal Stritch Catholic High School & Academy uses FACTS, a tuition management company that handles all outstanding tuition accounts. Anyone who does not pay tuition in full must opt for one of the programs FACTS offers. Detailed information on FACTS programs is available from the Finance Office and at www.cardinalstritch.org.

Scholarships and grants are available to all Cardinal Stritch Catholic High School & Academy students who qualify. These forms are available in the Main Office beginning in mid-December when the financial aid process begins for the next school year. The Financial Aid brochure, which includes all deadlines and important aid information, is posted on the website and available in the Main Office after Open House in November. Parents, guardians, and students are reminded to make sure that all deadlines are met.

Families having difficulty meeting their financial obligations are encouraged to contact the Finance Office to discuss their situations and make new arrangements if possible. Students whose accounts are not up to date at the end of each semester are not allowed to take their exams and credit for the course(s) is not issued.

18-YEAR OLDS

Cardinal Stritch families pay tuition and expect to have consistent cooperation and communication between school and home. Therefore, all consents, waivers, excuses, etc., that are normally required of parents or guardians of minor students for specific purposes such as absences, immunizations, participation in sports, field trips, or other activities, continue to be signed by parents or guardians after the student turns 18 years old. Parents or guardians of students who have reached the age of majority are advised of school grades, other school records, etc.

PREFERENCE OF ADMISSION

In certain cases it may be necessary to exclude students due to class size. In the event that situation should arise, students are admitted in the following order.

- Current students
- Deanery parishioners
- Non-deanery parishioner

Cardinal Stritch reserves the right to deny admission to anyone it deems unable to comply with school policies.

AGE REQUIREMENT

A child is accepted into Kindergarten if he or she reaches the age of five prior to August 1. A child is accepted into first grade if he or she reaches the age of six prior to August 1.

INITIAL ENTRY

At the time of a child's initial entry to school, the parent/guardian shall present to the school the child's original birth certificate, information for completion of health records, and written evidence that meets or exceeds the minimum immunization requirement.

The school requests that baptized Catholics also present a baptismal certificate.

No students, at the time of initial entry or at the beginning of each school year, shall be permitted to remain in school for more than two weeks or as provided by law without written evidence of immunization.

In lieu of this requirement, a physician's statement may be presented stating that compliance is in process or that immunization may be detrimental to the student's health.

NON-DISCRIMINATION POLICY

Cardinal Stritch Catholic High School & Academy holds to the policy adopted by the Toledo Diocesan School Board: "Catholic Schools of the Toledo Diocese admit students of any race, creed, color, national or ethnic origin to all rights, privileges, programs, and activities generally accorded or made available to all students. We do not discriminate on the basis of race, creed, color, national or ethnic origin in the administration or our educational and admission policies, scholarships and loan programs, athletics programs, and other school administered programs."

STUDENT LEFT IN THE CARE OF ANOTHER ADULT

If parents are away and leave the student in someone else's care or custody, parents must notify the Main Office, and provide the name and phone number of the adult, so the school can contact him or her in the event of an illness or emergency.

CHANGE OF ADDRESS/TRANSFER OF AREA

Please inform the school office and administration if your address or telephone numbers have changed, so emergencies may be handled more efficiently. Requests to keep unlisted numbers confidential are honored.

TRANSFER STUDENTS

Parents who wish to send their child to the school after the initial start date need to meet certain criteria:

- Parent and student meet with the Director of Enrollment.
- The parent must present an academic record showing the child's ability and achievement (1-8).
- Parents are expected to provide the necessary permission for release of information.

Cardinal Stritch may contact the previous school to gain insight to the child's conduct and attendance. Registration is neither complete nor accepted until the interview is completed and all requested information has been received, including the birth certificate. Transfer students from another school are not accepted if there is tuition or other financial debt owed to the previous school. The principal of the previous school is contacted as a courtesy.

WITHDRAWING FROM SCHOOL

A student withdrawing from Cardinal Stritch Catholic High School & Academy, along with his or her parent(s), must complete an exit interview with the Admissions Office to discuss the reasons for the student's withdrawal. All other matters such as academic status, tuition, fees, books, locker, etc., must be taken care of with the appropriate persons. Failure to meet these requirements causes records to be held.

REVIEW OF SCHOOL RECORDS

Parents may be provided access to educational data. This includes the right to review, inspect, and obtain copies of records. Parents are required to make their request for access in writing.

"Parents," as used here, means the natural parent with whom the student permanently resides.

In the case of divorce, the "parent" is the one who has custody by court ruling or the parent with whom the student permanently resides. Parents who have divorced are asked to provide the school with a copy of custody papers.

In the case of separation, where no legal custody has been awarded, either parent has the right to access.

RELEASE OF RECORDS

In order for a student to progress without interruption, parents are asked to notify the school office of intent to transfer a student. Papers for release of records must be signed at the new school. No records are sent without this release. Records are sent from the school office directly to the new school. Records are not sent if there are outstanding fees or delinquent tuition.

SCHOOL VISITORS

All visitors to the school must report to the Main Office upon entrance to the building and sign in. Parents are not to drop off lunches, gym clothes, books or homework directly to the classrooms, but in the Main Office. If you need to see a teacher or staff member, or the principal, please call or stop by the office for an appointment. It is important that parents do not interrupt the classroom teachers throughout the day to insure an ongoing, safe, and sound educational process.

The use of alcohol, drugs, tobacco, and/or vaporized liquids (nicotine or non-nicotine based) by students is detrimental to both the student and the Cardinal Stritch Catholic High School & Academy community. Cardinal Stritch students will not possess, use, attempt to sell, or sell, alcohol, drugs, tobacco, and/or vaporized liquids.

A student violates this agreement if any of the following occur:

1. A student admits that he/she has violated the agreement.
2. A member of the Cardinal Stritch faculty, staff, or administration observes or has evidence that a student violated the agreement. (Note: Students who are observed or choose to remain at a location where alcohol or drugs are illegally possessed or used may be considered guilty by association. The Dean of Discipline investigates the allegation to determine if the student has violated the agreement. The Dean will collaborate with other administrators and staff including extracurricular staff about the violation and/or offense.)
3. A student intentionally aids another student by not disclosing known violations of this agreement.
4. A police report names a student in an alcohol or drug related offense.

Violations accumulate over the entire time the student is enrolled at Cardinal Stritch. The slate is not "wiped clean" at the end of each school year. Students who leave Cardinal Stritch during a suspension are not considered for an athletic release until the time of the suspension has passed.

The following consequences are imposed when students violate this agreement:

First Offense

- The student forfeits any leadership position in athletic or extracurricular activities for the remainder of the school year. Future leadership positions are at the discretion of the head coach or extracurricular activity advisor or moderator.
- A letter is put in the student's file that advises him or her of the violation and informs the student of the consequences of further violations. A copy of this letter will be mailed to the parent or guardian.
- The student-athlete is denied the privilege of participating on the team for twenty percent (20%) of the total contests in which the team is allowed for an entire season per OHSAA regulations. Participation denotes competing in events against outside competition at all levels (varsity, junior varsity, freshman and middle school levels), including dressing for contests.
