

January 19, 2017

Dear Parent(s)/Guardian(s),

During the first half of the school year we have been pleased to see our students grow evermore comfortable and confident with their Google Chromebooks. Since our Google Chromebooks are a pivotal part of education at Stritch, we want to give all of our students more access to them. Starting Wednesday January 24th, all 6-8 grade students will be able to take their devices home with them every night. This gives our students the ability to complete digital assignments and research at home. They will be responsible for charging their device at home overnight and bringing the device to school every day with a full charge. Chargers are not to be brought to school unless they are being turned in at the end of the year.

We will be issuing each student a charger, a case and a carrying bag. Just as during school hours, students are responsible for their own devices. This includes physical care as well as actions done on the devices. We have a very strict web filter that monitors and records all internet traffic on their device 24/7, on and off campus. Additionally, we have added some additional filtering to keep our students on task both on campus and at home.

At the end of the school year, every student must turn in their Google Chromebook, charger, case, and carrying bag. Below is the cost breakdown for each item if these items are lost or not returned to the school.

- Google Chromebook - \$250.00
- Chromebook Charger - \$45.00
- Chromebook Case - \$45.00
- Carrying Case - \$30.00

If you have any questions, please contact the Technology Department at [techdept@cardinalstritch.org](mailto:techdept@cardinalstritch.org).
