Student name(s) and grade(s) _____

All School Volunteers (parents, grandparents, family, friends) MUST complete the VIRTUS training. The process includes an on-line training, a background check done on-line and signing the Standards Form, also available on-line. For further information about VIRTUS, please contact the office.

There are many opportunities to get involved. Some projects are ongoing throughout the school year and others are specific to a season or event. A short list below outlines some areas where help is needed. Please consider signing up for areas of interest to you and return to the school office by **August 30, 2019**. Thank you.
